

Imperialism -- is "a policy of extending a country's power and influence through colonisation, use of military force, or other means"

Step 1: Read the two quotes below

Step 2: On one side of your paper, record a short journey entry to answer the following question:

Question: Which of these two passages do you find to be most true?

Passage 1:

"Every empire seeks as its imperialistic mission not to plunder and control but to educate and liberate."

Passage 2:

"The truth is that imperialism was never idealistic. It has always been driven by economic or strategic interests."
